COURSES

EDGE - *Java Full Stack Development* Technical Certification Course from Fortune Cloud Technologies Group Pune. Duration - 4 Months.

ACADEMIC PROJECTS

Project Name:-Hotel Management System.

Description:- The hotel manager can add new customers and manage that customer information. This System works at all hotels that cater to a large number of customers and want to computerize the complete management process. Our project aims at business process automation, i.e. we have tried to computerize various processes of Hotel Bliss Heaven. This application will greatly improve the current manual system and will be much more efficient.
